

January 3rd, 2022 #2

Dear Residents/Family/Friends/Staff,

Summary of Changes Since Last Notice: We are reporting four (4) Staff members with a positive covid-19 test (of which one is still pending PCR) and one (1) Resident pending PCR. This brings our total active cases to sixteen (16). The facility has had a cumulative total of sixty (60) Staff and seventeen (17) Resident Covid-19 cases associated with the facility to date. The staff members have been placed on medical leave and removed from the schedule upon notification to minimize exposure risk to other Residents/Staff and will remain on medical leave until they meet the mandated criteria to return to work. The Resident is on isolation/droplet precautions and will remain in their private room until they have been medically cleared by the Physician/Medical Director.

Action Plan: Our action plan will exceed revised state and local guidance. All Residents in the building will be tested for five days straight. Once we achieve zero positive covid-19 cases during a five-day period, we will transition to Resident testing every three days until we reach a total of fourteen days without any new Resident cases. Our testing protocol has been reset to day 0. Unvaccinated staff are required to be tested twice a week and we will continue voluntary surveillance monitoring of vaccinated staff weekly. Any subsequent positive test results will be communicated.

If you have any questions please contact Scot Harmon @ 513-842-0774 of sharmon@beechwoodhome.com.
