

October 2, 2020 Update

Residents/Family/Friends/Staff,

Covid-19 Status: We have had no known positive cases of COVID-19 within our resident population.

Outside Food Delivery Opportunity on Wednesdays: If a Resident or family/friend places an order, please email Scot (sharmon@beechwoodhome.com) or Megan (mrandolph@beechwoodhome.com) with the Resident name, restaurant or delivery app name, and estimated delivery time so we can anticipate the orders arriving and ensure staff are available to collect/deliver in a timely manner. If the resident or family member is placing multiple orders for more than one person, it would be extremely helpful if we know what the food items are so we can be assured the order is correctly delivered. Remember, this is contact-less delivery and the order must be placed for delivery between 11:30 am-12:30 pm on Wednesday only and it must be delivered to the back entrance.

Outdoor Visitation Developments:

-Please be aware that, for residents who are in quarantine due to outside appointments or hospitalizations, your visit may need to be cancelled. We will call or email you if this is the case.

-The schedule continues to be able to accommodate 2nd session requests. For those interested, please clearly indicate your first request from your second request.

-When making a reservation request, please include your phone number, in the event that we need to make contact due to extreme weather for a cancellation or rescheduling.

Visitation Developments:

An indoor visitation order has come down from the Ohio Department of Health. The visits will look very much like the outdoor visits but will take place in the Beechroom, located next to the current outdoor visitation area. For those who already have visits scheduled for the week of October 12th, these visits will remain the same, only they will take place indoors. Please note that the Beechroom is the sole location of visitation and visitors will not be permitted in any other area of the building.

The order requires us to maintain the same rules and safeguards currently in place for outdoor visitation with the following exceptions:

- No more than 2 visitors at a time
- Face coverings must be worn and must be a surgical or procedural mask. If you do not have this type of mask, Beechwood will supply you with one, which will be distributed during the screening process
- All visitors must be at an age of maturity to facilitate social distancing and not be a distraction to other residents or staff and be able to wear a face covering

-Please be aware that, for residents who are in quarantine due to outside appointments or hospitalizations, your visit may need to be cancelled. We will call or email you if this is the case.

-The schedule continues to be able to accommodate 2nd session requests. For those interested, please clearly indicate your first request from your second request.

-When making a reservation request, please include your phone number, in the event that we need to make contact due to extreme weather for a cancellation or rescheduling.
