

January 13, 2022

Dear Residents/Family/Friends/Staff,

Summary of Changes Since Last Notice: We are reporting one (2) Staff members with a confirmed positive covid-19 test. This brings our total active cases to eight (8). The facility has had a cumulative total of sixty-eight (68) Staff and seventeen (17) Resident Covid-19 cases associated with the facility to date. The staff member has been placed on medical leave and removed from the schedule upon notification to minimize exposure risk to other Residents/Staff and will remain on medical leave until they meet the mandated criteria to return to work.

Action Plan: Our action plan exceeds revised state and local guidance. We are now on day 10 of the Resident Testing Protocol and have transitioned to testing every 3 days, with the next test date of all Resident occurring on 1/14/22. We will continue testing every three days until we reach day 14 and if we continue to have zero new Resident cases on that day, will conclude that this internal spread of covid-19 has ended. Any new Resident cases will rest the testing protocol to day 0. Unvaccinated staff are required to be tested twice a week and we will continue voluntary surveillance monitoring of vaccinated staff weekly. Any subsequent positive test results will be communicated.

If you have any questions, please contact Scot Harmon, Administrator, at 513-842-0774, sharmon@beechwoodhome.com.

Sincerely,

Scot Harmon (Administrator) & Patricia Clark, DM (CEO, Administrator)
