

February 1, 2022 Update

Dear Residents, Family, Friends and Staff,

Summary of Changes Since Last Notice: We are reporting one (1) staff member with PCR confirmed Covid-19. This brings our total active cases to seven (7). The facility has had a cumulative total of eighty-nine (89) Staff and twenty-one (21) Resident Covid-19 cases associated with the facility to date. The staff member has been placed on medical leave and removed from the schedule upon notification to minimize exposure risk to other Residents/Staff and will remain on medical leave until they meet the mandated criteria to return to work.

Action Plan: Our action plan exceeds revised state and local guidance. Our testing protocol has been reset and we are now at day 4. All Residents in the building will be tested tomorrow with Rapid Antigen tests. Pending no additional Resident cases, all Residents will be PCR tested on Thursday and then sporadically tested through day 14. Any new case will reset the testing protocol to day 0. Unvaccinated staff are required to be tested twice a week and we will continue voluntary surveillance monitoring of vaccinated staff weekly. Any subsequent positive test results will be communicated.

If you have any questions, please contact Scot Harmon, Administrator, at 513-842-0774, sharmon@beechwoodhome.com.

Sincerely,

Scot Harmon (Administrator)
Patricia Clark, DM (CEO, Administrator)
