Residents/Family/Friends/Staff,

Anticipated Return to New Normal Date: Pending no additional Resident cases of Covid-19, our projected "return to new normal" date is Friday February 18th. On this day our clinical floors will be permitted to comeingle again. Additionally, the 1st floor dining room and facility organized group activities will resume in the afternoon.

Positivity rate: Hamilton County's positivity rate has decreased to 15.34% through the week of 2/2. This is a 5.31% decrease over last week's reported positivity rate through 1/25.

Vaccine Clinic: Our next vaccine clinic will be held on Tuesday February 15, 2022. Moderna and Pfizer boosters will be available. Anyone starting a Covid vaccination series will have Moderna administered. Please let us know if you are interested in participating.

Super Bowl Sunday: There is much enthusiasm swirling around Beechwood today in preparation for the Super Bowl on Sunday. The hallways are decorated with posters and balloons. People are decked out in their best fanwear. Activities has prepared Crush and Root Beer floats for everyone while the Kitchen has prepared themed cookies for the Residents. We anticipate the hallways to be filled with much cheering Sunday evening.
