One Family, One Cause

Family members honored at The Beechwood Home's annual celebration

by Mary Jo Lane

L to R Mary McGraw, Mike McGraw (honoree), Adele Craft (honoree), Marty Walsh (honoree), Patrick Walsh

Three caring members of one remarkable family were honored for their tireless dedication and commitment to The Beechwood Home. Adele McGraw Craft, Michael McGraw, and Marty Craft Walsh were recognized at the One Family, One Cause Gala by the Beechwood Home held on October 21st, 2017.

Adele Craft is a current board member, previously served two years as board president, is a member of the The Beechwood Home Foundation board and resides on multiple committees. Marty is currently the first chair of the newly formed Beechwood Home Young Leaders group and has brought enthusiasm, new ideas and leadership to the group for the benefit of the Beechwood residents. Mike is a generous benefactor and has attended numerous events and outings to support Beechwood.

The three honorees were recognized for their support by David and Sara Osborn, and Patricia Clark, CEO of The Beechwood Home. "We are blessed to be the beneficiary of Adele's, Marty's and Mike's time, talent and treasure," Patti Clark said. "They truly are making a difference for our residents."

Guest speaker, Sally with Patricia Clark, CEO of The Beechwood Home

Resident, Sally, gave an incredible presentation about her journey to The Beechwood Home and what it has meant to her to be there. We are grateful to her for sharing her story with us.

The annual celebration dinner was filled with fun and music provided by Soul Pocket. Major sponsors were the Heidt Family Foundation, the Oliver Family Foundation, PNC and the Williams Family.

Letter from the President

Richard D. Oliver

This past year at The Beechwood Home has been a year of change and opportunity. Some of the changes made to Medicaid have provided significant challenges to Beechwood. However, at the same time, Scot Harmon joined us as a full-time Administrator and works closely with our staff to make sure that all requirements are met.

The Beechwood Home is no stranger to recognition, as our facility has been in the spotlight over the years. Beechwood continues to have a 5

Star rated Nursing Home status by the Centers of Medicare & Medicaid Services, and was featured in U.S. News as one of the top 10 Nursing Homes in the State of Ohio.

We are in the process of building a large porch and storage area which will afford the residents a wonderful space to be outside without facing the elements. It will also provide much needed storage for wheelchairs, personal belongings and other necessary items. Many wonderful people and foundations have donated to this worthy project.

The Beechwood Young Leaders hosted two successful events in 2017: The Kendra Scott event and Beechwood Bourbon Beer and Basketball event. The block party was in full swing and a great event for our residents, their families and friends. The Gala, honoring Adele Craft, Mike McGraw and Marty Walsh, was a successful event. One of the highlights of the evening was a presentation from Beechwood resident, Sally, who presented to the guests what it means to her to live at Beechwood.

In 2017 we saw the addition of a beautiful salt water aquarium that was generously donated by the Heidt Family Foundation. Residents, staff, family and friends all enjoy the serenity it offers.

It has been an honor to serve as President of The Beechwood Home Board of Trustees for the past two years and I look forward to continuing my board membership into the future. Bill Baechtold assumed the president's position at the January, 2018 board meeting. He has served on the board for 5 years and has brought his expertise in the legal profession to Beechwood. His leadership will serve Beechwood well.

New Administrator

Please welcome Scot Harmon as Administrator of The Beechwood Home. Scot joined our team in September of 2017. He is married and has two children. His last position was at Deaconess Hospital in a leadership role, where he specialized in long term care. Scot is a Marine Corp veteran and was stationed in Charleston, South Carolina. Scot is a great addition to our team.

Upon assuming the role of Administrator at The Beechwood Home on September 5th, 2017, I was eagerly anticipating joining a dedicated group of individuals that serve a very special group of residents. I quickly realized why The Beechwood Home is known as one of the premier facilities in the industry after beginning to work together with the leadership team members and staff. Collectively, they work tirelessly on every level to exceed resident expectations and provide the highest quality of life for each and every resident. They are the most dynamic group of people I've worked with in my career and I look forward to working collaboratively towards enhancing the future of The Beechwood Home.

The residents and staff welcome Scot to The Beechwood Home family!

Building begins at The Beechwood Home

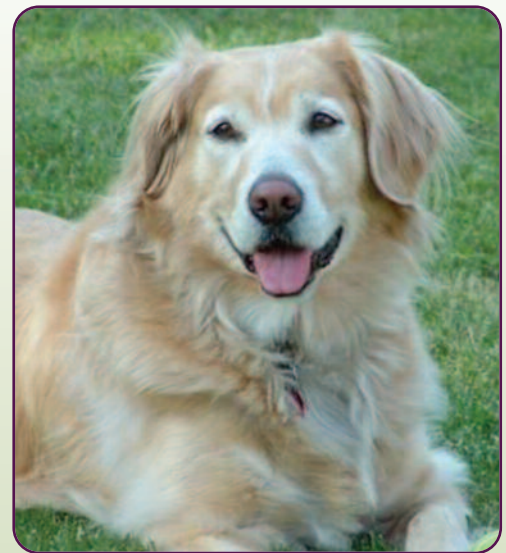

The long-awaited Porch and storage will start construction this spring. The builders will begin moving equipment this winter to make room for the porch. We are excited to have the porch for the residents to enjoy this summer! A dedication and celebration will take place when the project is completed!
