Thank You to a Dear Friend

We extend a heartfelt thank you to Mrs. Judy Sandquist, who led The Beechwood Homes's Development and Fundraising endeavors during her role as The Beechwood Home Development Officer for over 2 ½ years and her 3-year term as a Board Trustee. We are incredibly grateful to Judy who has been so supportive of

our Home, our initiatives, our fundraising events, but most of all, our Mission. Judy has offered significant contributions and successfully strategized increasing awareness of the Home, increasing gifts and donations, and creating the Young Leaders Board. Judy has promised that her journey with The Beechwood Home will not end after retiring from the Board, she plans on volunteering and spending time with the residents individually.

A Letter from the Desk of the CEO

The Beechwood Home proudly put 2020 behind us knowing that we kept our residents safe, as we had zero cases of COVID-19 among our resident population. We were overwhelmed by the unquestionable strength and character of our local community and our Beechwood

Home community. Like many organizations on the frontlines of the COVID-19 pandemic, we continue to be encouraged by the outpouring of support we have received from our grantors, foundations, Friends of Beechwood, and other agencies. We are always grateful for your annual gift, which has helped tremendously during this pandemic year.

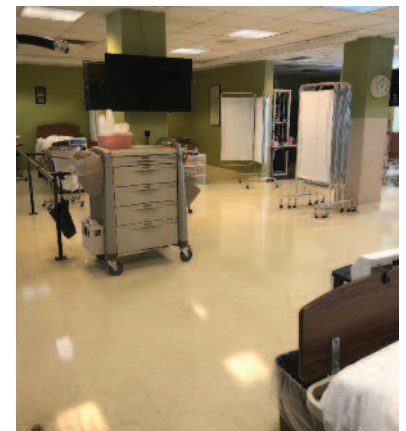

Your messages of gratitude, acts of generosity and words of encouragement are powerful affirmations for our team of nurses, clinical and support staff, therapists, and leadership. For us, this

positive energy directly correlates to excellence in our resident care. The Beechwood Home team needs this as we continue to battle COVID-19 in 2021 in what we know will be a long-term fight.

During this unprecedented time, many people are looking to The Beechwood Home to provide the same exceptional compassionate care that they expected before COVID-19. In everything we do and with every decision we make, this is our absolute goal. Please know that we continue to strive to have every team member throughout our organization on board with our Mission and Vision of serving our very specialized population of residents with neurological diagnoses.

Through collaboration and ingenuity, we are well-positioned to confront COVID-19. Now, our hopes and prayers look to the future and the sustainability of this wonderful Home in our Cincinnati community. The Beechwood Home is one of only two facilities nationwide that specialize in and care mainly for those with neurological deficits.

COVID-19 Isolation Unit

Through your help with a gift, we can continue TOMORROW'S PROMISE of leaving a legacy. Throughout the year, we have asked for short-term, immediate gifts, but today we ask you to consider the future of our Home. This may be a home our children, grandchildren, or others we know may need in the future.

As we move into 2021 with our masks on, our hands washed, and still some social distancing, we are blessed by the vaccines and the hope that 2021's norm looks very different than 2020.

Sincerely,
Dr. Patricia Ann Clark

Letter from the Board President

Twenty-twenty was a year many would like to forget and unlike any that The Beechwood Home has ever experienced. The COVID-19 pandemic caught the world off guard and tested everyone's resilience. There was no playbook to keep the virus at bay, which resulted in countless sleepless nights for The Beechwood Home staff, residents, and families. The Beechwood Home

team stepped up during this crisis and consistently demonstrated a high level of care designed to improve the quality of life for our residents. Their strategies and commitment prevented COVID-19 from infecting any of our residents. This is a feat no other long term care facility in Ohio can claim, and it bears repeating – not a single Beechwood Home resident has been infected with COVID-19 in 2020.

While the team continued their work to keep residents safe from COVID-19, other businesses at The Beechwood Home continued. Bills were scheduled, and daily tasks still had to be performed, and incredibly one of the highlights of 2020 was that the brand new porch had been completely paid off. This porch was something that was envisioned many years ago, and completion of the porch could not have come at a better time as this outdoor space was a sanctuary during the many lockdowns of 2020. As a new year kicks off, I cannot emphasize enough how lucky we all are to have a facility like The Beechwood Home in our backyard. Please keep The Beechwood Home in mind when determining what organizations you would like to give to in 2021. As a result of the pandemic, we were not able to hold any of the fundraising events we have in the past, so your financial support is needed now more than ever.
